

Dear Guest,

we are very pleased to welcome you in our restaurant "Tausend93".

As part of the Benedictine Abbey of Maria Laach, we attach great importance to sustainability and the preservation of creation. Seasonality and regionality are therefore decisive for the selection of suppliers for suppliers who primarily come from the surrounding area. Livable and animal-friendly husbandry of animals is an important criterion for us. For example, on Kloostergut Maria Laach, which is part of the BIOLAND association.

Our portions are arranged in such a way that as little as possible remains and we thus prevent an overproduction of food. If you are missing something, Please contact us, we will be happy to serve you a reference.

The crockery from which you dine was made exclusively for the Tausend93 in the ceramics manufactory of the abbey, Under the direction of Brother Stephan Oppermann OSB, for you.

Our highest goal is that you feel comfortable with us and you can enjoy relaxing hours. Please contact us if something is not to your satisfaction! That is the only way we can improve.

If you liked it with us, your recommendation of our restaurant to friends and acquaintances is a big praise for us. You are also welcome to rate us on Google or Facebook.

Now have a pleasant stay in our restaurant.

Enjoy your meal!

Your team Seehotel Maria Laach
